I am an Information Systems graduate from Universitas Advent Indonesia with a keen interest in pursuing a career in Procurement and Information Technology. I possess skills in data processing, administration, and document management, alongside a foundational understanding of technology and information systems. I am eager to develop my expertise in procurement processes and the application of technology to support operational activities. I am detail-oriented, adaptable, and capable of working both independently and as part of a team.

EDUCATION

Adventist University of Indonesia **August 2022 – June 2026**
Bachelor's Degree in Information Systems | **IPK: 3.66**

INTERNSHIP EXPERIENCE

PTPN IV Regional III **May 2025 – July 2025**
